Summary

I am Python Developer as well as a Data Analytics. I am passionate about Machine Learning. I have worked on various projects and upgrading myself day by day. Apart from that, I love to engage myself with problem-solving and competitive coding on various platforms.

Here are some of my achievements,

- ♦ 6 Star Gold Badge in Problem Solving (HackerRank)
- ♦ 4 Star at CodeChef
- ♦ 2 Star at LeetCode
- ♦ #3 Global Rank in Coding Blocks
- ♦ #538 Global Rank in Coding Ninjas
- ♦ #9935 Global Rank in InterviewBit
- ♦ #1 UEMK Campus Rank in InterviewBit

Fun Fact about me, I have engaged myself in competitive coding so much that I forget my syllabus oriented studies. :(
